H. **Personnel Assignments, Subcontracting.**

1. Consultant shall perform the Services with the personnel identified in the attached **Exhibit B**, unless otherwise authorized in writing by Thornton. All of Consultant's key professional personnel identified in **Exhibit B** will be assigned by Consultant or subconsultant (includes any subcontractors) to perform Services under this Agreement. Consultant shall submit to Thornton a list of any additional key professional personnel who will perform Services under this Agreement within thirty (30) Calendar Days after this Agreement has been executed, together with complete resumes and other information describing their ability to perform the tasks assigned. Thornton may, in its reasonable discretion, approve or reject any person or persons at any time working for Consultant. It is the intent of the Parties that all key professional personnel be engaged to perform their specialty for all such Services required by this Agreement and that Consultant's and the subconsultant's key professional personnel be retained for the term of this Agreement to the extent practicable and to the extent that such Services maximize the quality of Services performed hereunder.
2. If Consultant decides to replace any of its key professional personnel, it shall notify Thornton in writing of the changes it desires to make. No such replacement shall be made until the replacement is approved in writing by Thornton, which approval will not be unreasonably withheld. Thornton will respond to Consultant's written notice regarding replacement of key professional personnel within fifteen (15) Calendar Days after Thornton receives the list of key professional personnel, which Consultant desires to replace. If Thornton does not respond within that time, the listed personnel will be deemed to be approved by Thornton.
3. If, during the term of this Agreement, the Manager or Manager's designee(s) determines that the performance of approved key professional personnel is not acceptable, they will notify Consultant and give Consultant the time that the Manager or Manager's designee considers reasonable to correct such performance. Thereafter, the Manager or Manager's designee may require Consultant to reassign such key professional personnel. If the Manager or Manager's designee notifies Consultant that certain key professional personnel must be reassigned, Consultant shall use its best efforts to obtain adequate substitute personnel within ten (10) Calendar Days from the date of the notice.
4. While Consultant may retain and subcontract with subconsultants, no final agreement with any such subconsultants shall be entered into without the

prior written consent of the Manager or Manager's designee. Requests for such approval must be made in writing and include a description of the nature and extent of the Services to be provided by the subconsultant, the name, address, the professional experience and qualifications of the subconsultant and any other information. Approval of the subconsultant shall not relieve Consultant of any obligations under this Agreement. Any final agreement with the approved subconsultant must contain a valid and binding provision whereby the subconsultant waives any and all rights to make a claim of payment against Thornton arising out of the performance of the Services under this Agreement. Subconsultants listed in Consultant's Proposal will be deemed acceptable unless Thornton notifies otherwise.

5. Since Consultant's represented professional qualifications are a consideration to Thornton in entering into this Agreement, the Manager or Manager's designee will have the right to reject any proposed subconsultant deemed unqualified or unsuitable for any reason to perform the proposed Services, and the Manager or Manager's designee(s) will have the right to limit the number of subconsultants.
6. Consultant shall not retain any subconsultant to perform Services under this Agreement if Consultant is aware, after a reasonable inquiry has been made, that it is connected with the sale or promotion of equipment or material which is or may be used on the Services, or any other conflict of interest exists; but in unusual circumstances, Thornton may permit a waiver in writing provided that Consultant has fully disclosed any conflict of interest of its subconsultant.

I. **Compliance with All Laws and Regulations.**

1. All of the Services performed under this Agreement by Consultant shall comply with all applicable laws, rules, regulations, and codes of the United States and the State of Colorado and with the charter, ordinances, and rules and regulations of Thornton.

Consultant's attention is directed to the fact that all applicable state and federal laws, county and city ordinances, licenses and regulations of all authorities having jurisdiction over this Agreement and the Services shall apply to this Agreement throughout and they will be deemed to be included in this Agreement the same as though written out in full.

2. **Worker Status.** Pursuant to Colorado law, a Consultant whose performance of Services involves provision of a service and not provision of a specific end product shall by signature and attestation on this Agreement certify to the following:
 - a. Consultant, as of the date of this Agreement, does not and shall not knowingly employ or contract with a worker without authorization, who will perform Services under this Agreement.

- b.
