

**ADDENDUM NO. ONE**

**INVITATION FOR BID**

**SAND, AGGREGATE, AND ROAD MATERIALS  
(MAPO COOPERATIVE BID)**

**PROJECT NO. 112-21**

**CITY OF THORNTON, CO**

TO: Prospective Proposing Firms and all others concerned

DATE: October 21, 2021

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following questions and answers are provided for additional clarification to the IFB. The answers provided by the City of Thornton (Thornton) are in **bold**.

Question 1: Will Thornton provide a list of the Vendors who have downloaded the bid?

**Answer 1: Thornton has provided a list of Vendors who have downloaded the Bid from BidNet as of the time of the question period closing, and has been provided at the end of this addendum. Vendors may still download the Bid from BidNet up until the Proposal Due Date listed within Section A.1 – Schedule of Events.**

**Vendors may also download the Bid from the City of Thornton Website at <https://solicitations.thorntonco.gov/solicitations>, however, Thornton cannot track who downloads the Bid documents from the website.**

**For these reasons, the list located at the end of this addendum shall be the only list provided to the public prior to the bid closing date.**

Question 2: Will Thornton provide a list of Vendors who attended the pre-bid meeting?

**Answer 2: Yes. This has been provided at the end of this addendum.**

Question 3: Will Thornton accept bid pricing for items 5 and 6 if the delivered items are also offered as a different unit of measurement or alternate packaging? Cold Mix is sold by 50 lb. bags and not by the ton, and Tack Coat CSS1h is sold by 5 gallon pails rather than by the individual gallon.

**Answer 3: Yes, Thornton (and MAPO) will accept bid pricing from a Vendor should they offer an item in a different Unit of Measurement (UOM) or alternate packaging, such as described in the question.**

**Vendors who will be offering items in a different UOM than what is listed on the IFB Pricing Form, are to submit the following as part of their final submittal package:**

- 1. Enter their pricing submission on the IFB Pricing Form (Microsoft Excel document), as is for their main item.**
- 2. Include a notice on the Vendor's company letterhead that notes what Item # is an additional size provided by the Vendor or what is a variance from the listed UOM.**
  - a. An example is, \$5.00 listed on the IFB Pricing Form for Tack Coat CSSh1 for a per gallon price.**
    - i. Then on the Vendor letterhead, state that your company is providing Item # 6 – Tack Coat CSSh1 at \$10.00 per five (5) gallon pail as an additional offered size/packaging or as a variance from the standard UOM listed within the bid.**
    - ii. All additional products or variances to the standard listed UOM from this bid are to be listed on the same letterhead (not separate letterheads for each item).**
- 2. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Proposal/Bid.**

***END OF ADDENDUM NO. ONE***
