TO: Prospective Proposing Firms and all others concerned

DATE: Friday, December 9, 2022

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following questions and answers are provided for additional clarification to the RFP.

Question 1: "We understand that this study is intended to update the two previous studies conducted in 2018 and 2019. Can you advise if the architecture and consultant firms who conducted those studies precluded from bidding on this current work?"

Answer 1: The firms who conducted the two (2) previous studies are not precluded from proposing on this RFP. However, Thornton is looking for a new study with fresh insight to serve as a comparison study to these documents.
