III. NOTICE

CITY OF THORNTON REQUEST FOR CONTRACTOR QUALIFICATIONS FOR THORNTON POLICE DEPARTMENT SHOOTING RANGE, PROJECT NO. 22-257

Notice of Request for Contractor Qualifications: The City of Thornton (“Thornton”) is requesting Statement of Qualifications (SOQ) submittals from Contractors (“Respondents”) interested in bidding on Construction of the **Thornton Police Department Shooting Range, Project No. 22-257.**

Thornton reserves the right to qualify Respondents based on company size, type of work, past and present, previous experience including shooting ranges, and other factors as Thornton deems appropriate. There is no limit to the number of Qualified Respondents that may be prequalified and it is Thornton’s intent to qualify Respondents based on their demonstrated past performance on Shooting Range construction.

Project Description: This Project is for construction of a new Thornton Police Department Shooting Range (Range). The Project Site within the Thornton Police Department Training Campus, located at 9000 Colorado Boulevard, Thornton, Colorado which is northeast of the intersection at Riverdale Road and Colorado Boulevard. Constructing the Range will provide a P.O.S.T. accredited, 11-lane, shooting range. The 19 acre campus currently consists of a Training Center, a K9 training yard and storage shelter, and a 5 acre driving skills pad and storage shelter. Thornton has retained Clark Nexsen to complete the Construction Documents for the Project. Permit Plans and Specifications are anticipated to be complete in April 2023. The latest Design Development drawing set (seventy percent [70%] complete) is provided with this Request for Contractor Qualifications as Appendix G-Preliminary Design.

Minimum Qualifications: Respondents must demonstrate successful completion of at least one (1) newly constructed shooting range(s) within the last fifteen (15) years.

Solicitation: Thornton utilizes the BidNet Direct System at www.BidNetDirect.com to distribute official Request for Qualifications (“RFQ”) documents for use in preparing submittals. Respondents will be required to register with the website to download the RFQ documents and any subsequent addenda. There is no charge by BidNet Direct for this service. If you experience problems with the BidNet Direct website, please call 1-800-835-4603 for assistance. Respondent(s) are required to acknowledge all addenda with their submittal and are encouraged to either register with the website or to view the addenda posted on the Contract Administration bulletin board prior to delivering their submittal. Respondents that do not acknowledge all addenda may be considered non-responsive. Upon request, the RFQ documents, including addenda, are also available for viewing on the City of Thornton Website, <https://solicitations.thorntonco.gov/solicitations> or at the

Contract Administration office located on the 2nd floor of City Hall at 9500 Civic Center Drive, Thornton, CO. Respondents that do not have download and/or printing capability in-house, may contact a commercial blueprint company or other reprographics company for assistance with downloading and printing the RFQ.

Respondents may request a copy of this RFQ in a “Word” document for ease of preparation for their submission. To request a copy in Word format, e-mail Jennifer Cahill, Construction Manager at Jennifer.Cahill@ThorntonCO.gov, and specify that you are requesting a Word version of the following: “**RFQ for Construction Services, Thornton Police Department Shooting Range, Project No. 22-257**”. Note that you must first download this document from the BidNet Direct System so that you will be on the plan holder’s list and will be notified and be able to download any future Addendums. Thornton accepts no liability for any changes or modifications to this document.

Pre-SOQ Conference: A mandatory, virtual, Pre-SOQ Conference to discuss the Project will be held at **9:00 a.m.**, on **February 9, 2023**, via Microsoft Teams. All individuals who wish to attend the mandatory Pre-SOQ Conference will be required to request an invitation by contacting Jennifer Cahill via email by **February 7, 2023, at 3:30 p.m.** Please hold all questions concerning this RFQ until that time.

SOQ Delivery: SOQs will be received in the Contract Administration Office of City Hall at 9500 Civic Center Drive, 2nd Floor, Thornton, Colorado 80229-4326, until **11:00 a.m., February 28, 2023.**

If the SOQ is sent by U.S. mail or courier service, the SOQ shall be contained in a sealed inner envelope or box, which is then inserted into the mailing envelope or box. Indicate “**SOQ Enclosed, Notice of Request for Contractor Qualifications, Project No. 22-257**”, on the outside of the mailing envelope or box.

Submittals received after the deadline will not be considered for prequalification and will be returned to the sender unopened. Statements of Qualifications properly submitted before the deadline will not be returned to the submitting Respondent(s).

All questions regarding the RFQ shall be directed in writing to Jennifer Cahill, Construction Manager, via e-mail at Jennifer.Cahill@ThorntonCO.gov.

IV. REQUEST FOR CONTRACTOR QUALIFICATIONS

Thornton is soliciting written Statements of Qualification from Contractors to be eligible to bid on the construction of the **Thornton Police Department Shooting Range, Project No. 22-257**. To be eligible, the Respondent must be capable of supplying the Work as described herein and must meet all other criteria outlined in this RFQ. Thornton reserves the right to utilize approved qualified Contractors from this process for other similar projects in the future. Thornton further reserves the right to revise this process, to issue a new RFQ/RFB/RFP, or formally advertise and receive proposals or bids on any elements of this Work at Thornton's sole option.

It is Thornton's intent to prequalify Respondents for the Thornton Police Department Shooting Range, Project No. 22-257. Respondents will be qualified on a variety of factors including, but not limited to, relative experience, past-performance, safety record, financial standing, and workforce/employee factors. Prequalified Respondents shall be extended a Invitation to Bid (IFB) for solicitation as deemed appropriate by Thornton. It is Thornton's intent to award this Project on the basis of the lowest responsive/responsible Bid response.

Thornton will evaluate the qualifications of Respondents and will notify prequalified Respondents prior to issuance of the IFB for the Project. Information regarding company and personnel experience, references, work history, staffing plan, training, employee benefits, employee hourly rates, financial standing, insurance and bonding capacity, litigation and claims history, safety record, and capability to perform the Work, and other information is requested via the attached Statement of Qualifications Form.

With the exception of HVAC Subcontractors, other subcontractors and suppliers will not be prequalified at this time, however, Thornton reserves the right to post-qualify any or all proposed subcontractors and suppliers and all subcontractors and suppliers shall be subject to Thornton's approval. Proposed subcontractors and suppliers may be asked to show a prior successful working relationship on similar type projects.

SECTION I – INQUIRIES

From the date of issuance of this RFQ, any Respondent that directly or indirectly contacts any member or employee of Thornton, or any person in connection with the prequalification selection process, the issuance of the RFB, or the Agreement contemplated for this Project, is subject to disqualification except if it is to make an inquiry as provided herein, or to request general information about the RFQ, submission deadlines, and the availability of any addenda related to the RFQ.

All inquiries relating to this RFP shall be addressed in writing to:

City of Thornton
Attention: Jennifer Cahill, Construction Manager
9500 Civic Center Drive
Thornton, CO 80229-4326
Fax: 303-538-7556
E-mail: Jennifer.Cahill@ThorntonCO.gov

If a Respondent finds discrepancies in or omissions from the RFQ, or requires additional clarification of any part thereof, a written request for interpretation shall be submitted to Jennifer Cahill, Construction Manager. Any interpretation of, or change made to the RFQ will be made by written addendum and will become part of the RFQ. Thornton will not be responsible for the accuracy of any other ORAL EXPLANATIONS, INTERPRETATIONS, OR REPRESENTATIONS. All inquiries shall be made in writing and all responses will be provided in writing

SECTION II – SUBMITTAL DATE AND LOCATION

SOQs will be received in the Contract Administration Office of City Hall at 9500 Civic Center Drive, 2nd Floor, Thornton, Colorado 80229-4326, until **11:00 a.m., February 28, 2023**.

SOQ's must be submitted in a sealed envelope plainly marked "**City of Thornton Request for Contractor Qualifications for Thornton Police Department Shooting Range, Project No. 22-257**", and addressed to Sean Saddler, Support Services Director. Respondent's name and address shall also appear on the outside of the sealed envelope containing the SOQ. If the SOQ is sent by U.S. mail or courier service, the SOQ shall be contained in a sealed inner envelope or box, which is then inserted into the mailing envelope or box. Indicate "**SOQ Enclosed, City of Thornton Request for Contractor Qualifications for Thornton Police Department Shooting Range, Project No. 22-257**", on the outside of the mailing envelope or box.

Late SOQ's will not be accepted under any circumstance, and any SOQ received after the deadline shall be returned to the Respondent unopened. In addition, SOQ's sent exclusively by electronic devices are not acceptable and will be rejected upon receipt. Submitting Respondents will be expected to allow adequate time for delivery of their SOQ's either by airfreight, postal service, or other means. Notwithstanding the above, all late SOQ's will be returned to the Respondent unopened.

SECTION III – CONFIDENTIAL INFORMATION

Prior to selection of the prequalified Respondents, any information contained within the SOQ may be held confidential by Thornton pursuant to Colorado's Open Records Act (CORA), specifically Colo. Rev. Stat. 24-72-204(3)(a)(IV). After selection, the information within the SOQ becomes public information with the exception of information that has been clearly marked as confidential by the Respondent.

Any information marked confidential shall comply with CORA and other applicable statutes. Thornton shall be held harmless from any claims arising from the release of confidential information not clearly designated as such by the Respondent or which does not comply with CORA. In general, it is not acceptable to Thornton to mark information other than financial statements, Project financing data, litigation history, tax audit history, or client lists as confidential. Further, it is not acceptable to mark price information as confidential. Failure to adhere to these restrictions may result in the entire submission being deemed non-responsive.

If a request to inspect the response materials, or any portion thereof, is made by a third party, Thornton will endeavor to keep private materials marked confidential to the extent allowed by the CORA. The Respondent understands that Thornton may be subject to the provisions of CORA. Thornton will try to endeavor to inform the Respondent of any third-party request for disclosure of such information pursuant to the CORA or as may be otherwise made to Thornton. If the Respondent requests that such information be held confidential and not disclosed by Thornton, the Respondent will assume the defense of such position, up to and including litigation, and will indemnify and save and hold harmless Thornton, its officers, and employees, from any expense, fees, costs, or liability associated with such third-party request or such litigation.

SECTION IV – DEFINITION, CONTEXT, AND GENDER

Unless otherwise specified in this document, all words shall have a common meaning unless the context in which they are used clearly requires a different meaning. Words in the singular number include the plural, and in the plural include the singular. Additionally, words of the masculine gender include the feminine and the neuter, and when the sense so indicates, words of the neuter gender may refer to any gender.

SECTION V – CONDITIONS OF SOQ SUBMITTAL

1. Only Respondents are required to submit prequalification documents. Subcontractors and suppliers (other than the HVAC Subcontractor) may be post-qualified, using Thornton's post qualification form, during the bid evaluation process, and all subcontractors and suppliers shall be subject to Thornton's approval.
2. All Respondents shall comply with all conditions, requirements, and specifications contained herein, and any departure from such conditions, requirements, or specifications may constitute sufficient cause for rejection of the entire SOQ.
3. Only one (1) SOQ will be accepted from any Respondent. This includes each member of a joint venture.
4. For joint ventures, a SOQ shall be completed by each Respondent in the joint venture and shall be submitted in a single package. Joint ventures shall be comprised of not more than two (2) single Respondents.
5. Information submitted for the prequalification process shall become the sole property of Thornton. To the extent permitted by law, financial information and litigation and claim information will be considered confidential by Thornton and will not be subject to review by outside individuals or organizations. Upon request, financial information and litigation and claim information of Respondents that are not prequalified may be picked up by the Respondent, or at their option they may direct Thornton to shred the documents. If not picked up by Respondent within ten (10) Calendar Days of notification of not being prequalified, Thornton may at its sole option shred these documents.

6. Material misstatements on any of the SOQs' forms may be grounds for rejection of the Respondent's SOQ on this Project. Any such misstatement, if discovered after award of the Agreement to such Respondent, may be grounds for immediate termination of the Agreement. Additionally, the Respondent will be liable to Thornton for any additional costs or damages to Thornton resulting from such misstatements, including costs and attorney's fees for collecting such costs and damages.
7. Each Respondent submitting a SOQ will be notified individually of their prequalified status by Thornton.
8. No Respondent will be considered for prequalification on this Project if it is in arrears, indebted, debarred or is in default on an agreement or obligation, either as surety or in any capacity, with Thornton.
9. Thornton reserves the right to reject any and all SOQ's, or any part thereof. Thornton further reserves the right to waive any formalities, or informalities contained in any SOQ's, and to prequalify the most responsive, responsible, and trustworthy Respondents as deemed in the best interest of Thornton.
10. All SOQ's shall be prepared in a comprehensive manner as to content, but no necessity exists for expensive binders or promotional materials.
11. All costs, including travel and expenses incurred in the preparation of the SOQ, shall be borne solely by the Respondent.
12. Thornton will not return SOQ's, or other information supplied to Thornton, to the Respondents, unless the SOQ is submitted late, then Thornton will return the SOQ to the Respondent unopened.
13. Thornton reserves the right to require the submission of additional information, clarification of information, or other information that may have been inadvertently omitted from the submission upon request.
14. Prequalifying a Respondent shall not deprive Thornton of the right to reject any SOQ's where other circumstances and developments have, in the opinion of Thornton, changed the qualifications or responsibility of the Respondent.
15. The Respondent understands and agrees that Thornton reserves the right to reject any or all SOQ's, to request additional information, to waive irregularities therein determining a Respondent's qualifications, and to qualify Respondents that it deems are in the best interest of Thornton. All Respondents submitting SOQ's shall agree that such rejection or decision shall be without liability on the part of Thornton for any damage or claim brought by any Respondent because of such rejections or decisions, nor shall the Respondent seek any recourse of any kind against Thornton, its officers, employees, agents, or its consulting engineer(s)

because of such rejections or decisions. The signing of the prequalification document shall constitute an agreement of the Respondent to these conditions.

16. Thornton reserves the right to ask for updates to this information if in Thornton's opinion, enough time has elapsed to question the accuracy of this information, and/or if Thornton believes that a Respondent's information may have substantially changed.
17. As referenced in the required Appendix E, Acceptance of Conditions Statement, Section 7.4 of the Thornton City Charter prohibits Thornton from entering into any agreements involving an amount in excess of one hundred dollars (\$100) in which an elective or appointive officer or any member of the officer's family has any pecuniary interest, direct or indirect, in the Respondent or this RFQ. Certain other restrictions may also apply to agreements in which an employee, member of a board or commission, City Council member or member of their family has an existing or pending financial or personal interest. For the purposes of this Charter Section, a domestic partner shall be considered a family member.
18. By submission of the Qualification Affidavit, bank letter of reference, and the bonding company letter required herein, the Respondent certifies that it has adequate financial capacity to perform the anticipated Work. The Respondent shall not submit proprietary financial information such as financial statements, depreciation statements, or balance sheets.

Non-compliance with one or more of the above requirements may be reason for disqualification.

SECTION VI – EVALUATION OF SOQ's

All SOQ's will be evaluated by a Selection Committee assigned by the City Manager, or his designee. SOQ's shall be evaluated on the basis of the Evaluation Criteria set forth herein. In addition, any other pertinent information which becomes available during the evaluation, interview, or negotiations may be considered in the evaluation. Thornton's intent is to prequalify all qualified Respondents who will propose on this Work. However, Thornton, at its sole option, reserves the right to re-open to allow additional Respondents at Thornton's sole option. Pursuant to Thornton policy, the Selection Committee shall make the final determination of the Respondents selected.

Thornton's Selection Committee shall have ultimate authority to review, evaluate, and determine the Respondent's qualifications using the below selection criteria as well as any other relevant criteria that may become available. The Selection Committee may decide a Respondent is qualified or not qualified based on one factor, and/or on multiple factors at its sole discretion. The criteria is not weighted for importance, but will be individually evaluated as to importance, relevance, and acceptability.

SECTION VII – EVALUATION CRITERIA

In determining a Respondent's qualifications, the following factors will be considered:

1. Whether the Respondent maintains a permanent place of business in Colorado, or can demonstrate its ability to establish and maintain a place of business away from its established business location(s), and can demonstrate experience in successfully doing so on several similar projects, and if not located in Colorado, can demonstrate through references, that they are responsive to communications, including warranty work.
2. Equipment and resources available to perform the Work properly and expeditiously within the time available.
3. Financial resources to meet obligations incidental to the Work.
4. The Respondent's historic record of successful project completion, with minimal interference to the public or public complaints, as demonstrated through references.
5. Appropriate technical past experience of the proposed Respondent, and the Respondent's proposed key-personnel (resumes of key-personnel detailing similar experience on other projects).
6. The Respondent's safety program and safety record on completed and ongoing projects over the past three (3) years. Criteria will be evaluated as follows:
 - a. Experience Modification Rating (EMR) for each of the past three (3) years. Respondent's three (3)-year average EMR should be no greater than 1.0. If a Respondent's three (3)-year average EMR is greater than 1.0 but less than 1.2, it is subject to Committee review (which may lead to possible disqualification) and Thornton may ask Respondent to submit additional information about its safety program to the Selection Committee to help assess eligibility.* Any three (3)-year average EMR greater than 1.2 is grounds for disqualification without further review;
 - b. Total Recordable Incident Rates (TRIR);
 - c. Days Away Restricted Time (DART);
 - d. Company fatalities within the last three (3) years (will be evaluated on a case by case basis).
7. No member of the proposed Respondent's team shall be in arrears on any obligation to Thornton or to any other public owner.

***Note: Be prepared to provide additional documentation including, but not limited to, a thorough description of accidents, OSHA 300 logs, and letter(s) from insurance carrier, if Thornton notifies Respondent there is a concern about any rating related to its safety program.**

8. Pending or completed relevant legal actions against the Respondent, that in Thornton's opinion could impact the Respondent's ability to complete this Project.
9. Historical record working/dealing with several Governmental, multi-jurisdictional permitting agencies for a single project.
10. Project Identifying Information is required for all Shooting Range Experience provided by the Respondent. Incomplete project Identifying Information will disqualify the experience. Project Identifying Information is defined as the following:
 - a. Project Name;
 - b. Project City and State;
 - c. Project Delivery Method (DBB, DB, CMAR, CMGC or other);
 - d. Owner's Current Contact Name and Phone Number;
 - e. Architect-of-Record's Contact Name and Current Phone Number;
 - f. Name of Respondent's personnel assigned to the project and job title during the project's construction;
 - g. Project GSF;
 - h. Project's Contract Date;
 - i. Initial Construction Contract Amount including Insurance, Bonds, Contractor Contingency and General Conditions' Costs;
 - j. Number of Change Orders and Change Order Total Cost;
 - k. Initial Scheduled Completion Date when Construction Commenced; and
 - l. Actual Scheduled Completion Date.

For projects currently under construction, the following information shall be provided in lieu of items j., k., and l. listed above and one (1) additional item;

- j. Number of Change Orders and Change Order Total Cost to date;
 - k. Initial Scheduled Completion Date when Construction Commenced;
 - l. Current Forecasted Scheduled Completion Date; and
 - m. Percent Complete.
11. Shooting Range Experience: Respondents must demonstrate successful completion of newly constructed shooting ranges and newly constructed, prefabricated concrete panel buildings within the last fifteen (15) years. Respondents shall provide complete Project Identifying Information for all projects provided in response to this requirement. Shooting range projects that are currently in construction and have not achieved substantial completion as of the date of SOQ submittal shall be considered at a lesser importance for this requirement. Projects involving shooting range renovations, remodels nor other range-related facilities will not be considered for requirement.
12. Qualifying projects must have demonstrated the existence of a successful relationship with owner agencies as determined by references.

13. Qualifying Respondents shall provide information on the disciplines and/or types of construction that they would generally self-perform if awarded a project.
14. Available bonding capacity must be one hundred percent (100%) of the estimated total construction cost or higher. The Respondent shall have the ability to bond this Project at one hundred percent (100%) of the construction value. HVAC Subcontractor shall have the ability to bond this Project at the same limits as the awarded General Contractor.
15. Respondents' ability to demonstrate that their staffing plan and personnel procurement, workforce development and training, current hourly rates of pay, and employee benefits shall be within a normal and acceptable range for the industry and the local community:
 - a. Respondents are responsible for demonstrating that the combination of current payroll wages and benefits provided to employees meets or exceeds the market standards for the local community, or, Respondent must certify that hourly wages meet or exceed the applicable Adams County Davis Bacon Wage Determination. Alternatively, Thornton will review hourly pay ranges for key positions within the Respondent's field organizational structure. Wages for salaried management personnel do not need to be provided.
 - b. The Selection Committee will review and evaluate combined hourly wage rates and benefits and compare those against other Respondents and against other wage information as it deems applicable and/or appropriate at its sole discretion.
 - c. The Selection Committee has the right to request clarifying information and/or actual payroll documentation to verify the accuracy of the submitted information. Respondents could be disqualified if it is determined that the pay ranges are not accurate based on actual payroll information provided.
16. Respondents eligibility will be based on the evaluation of all factors listed above as well as the following:
 - a. Respondent's previous performance on work for Thornton or other municipal or quasi-municipal owners;
 - b. Overall experience of the principal Respondent;
 - c. The experience of the key personnel which will be assigned to the Project;
 - d. References obtained from owners of similar projects;
 - e. Financial condition of the Respondent;
 - f. Bonding capacity and insurance coverage of the Respondent;
 - g. Dispute/litigation and claim history; and
 - h. Information listed in Appendix A.

SECTION VIII – INSTRUCTIONS

SOQ submittals shall include:

1. Any Respondent that wishes to be prequalified is required to complete and submit:
 - **One (1) original of the SOQ, including a separately sealed envelope containing litigation and claims;**
 - **Four (4), identical copies of the SOQ; and**
 - **One (1) flash drive with an identical copy of the SOQ.**

Clearly mark the original document as such. Each page shall be numbered and information shall be ordered as outlined below. Submit only one (1) copy of the litigation and claim information documents. The litigation and claim information shall each be contained in separate sealed envelopes marked, respectively, on the outside “Confidential Litigation and Claim Information - <Respondent name>”, and this envelope shall be placed inside the Statement of Qualification submittal envelope.

2. A cover letter shall state the name, address, e-mail, and telephone number of the Respondent submitting the SOQ and shall bear the signature of the person having the authority to agree to the terms of the SOQ for the Respondent, and bind the Respondent in a formal Agreement with Thornton if selected for Project award. Within the cover letter, Respondent shall state why their organization is best qualified for the Project.
3. To be minimally qualified for the Project, Respondents must demonstrate successful completion of the following:
 - a. Respondents shall submit a list of completed and ongoing newly constructed (not remodeled nor renovated) shooting ranges that are believed to represent their ability to successfully fulfil the needs of the Project. Projects listed shall fulfill number 11 of the Evaluation Criteria section above. Project Identifying Information per number 10 of the Evaluation Criteria, shall be provided for all projects in response to this requirement.
 - b. Respondents shall submit a list of “tilt-up”, prefabricated concrete panel, newly constructed projects that are believed to represent their ability to successfully fulfil the needs of the Project. Projects listed shall fulfill number 11 of the Evaluation Criteria section above. Project Identifying Information per number 10 of the Evaluation Criteria, shall be provided for all projects in response to this requirement.
4. Respondents shall provide the names of the mechanical Subcontractors that the Respondent is planning to bid the Project to. The Respondent shall present a list of the shooting range projects that each mechanical Subcontractor has completed. Identification of shooting range projects shall include Subcontractor’s name,

Subcontractor's representative name and contact information, list of all shooting ranges completed by mechanical Subcontractor with owner name and contact information, year completed and cost of work for Project and mechanical Subcontractor's scope.

5. Respondents shall submit a list of Key-Personnel proposed for the Project and their resumes showing technical experience on similar projects and their roles in the successfulness of the Project. The personnel, as submitted, must be able to commit to this Project and the Respondent will be required to utilize those personnel for the Work. The SOQ shall:
 - a. Include Key Personnel member's name (previous name in parenthesis) and role in Project.
 - b. Define length of time Key Personnel member has been with Respondent's organization and time at assigned role and previous roles.
 - c. Define Key Personnel member's previous employers and length of employment time.
 - d. Describe previous project experience for each Key Personnel member and assigned role in previous project. Project information should also include whether project is from previous employer, owner's contact name and current phone number and Architect-of-Record's name and current phone number. All projects listed must have been completed within the past ten (10) years.
 - e. Other references regarding Key Personnel who are familiar with the Project where Key Personnel were conducting the same role. References must come from outside of the company.
 - f. Provide education and work history, list experience with similar type and size projects.
 - g. Key Personnel for the Project shall include, but are not limited to:
 - i. Project Manager;
 - ii. Construction Superintendent;
 - iii. Field Engineer and/or Office Engineer;
 - iv. Safety Manager;
 - v. Quality Control Manager; and
 - vi. Project Coordinator.
6. Respondents shall submit a construction schedule with a mobilization date of July 1st and the following milestones:
 - i. Pier Completion
 - ii. Underground Completion
 - iii. Slab Completion
 - iv. MEP Rough Completion
 - v. Drywall Completion
 - vi. Final Inspection Completion
 - vii. Substantial Completion (read Contract for criteria)
 - viii. Initial Acceptance (read Contract for criteria)

This schedule shall be adjusted to the actual start date of the Project and Respondent shall be held to the duration provided on the Project.

7. Completed Appendix A - The Statement of Qualifications Form shall be completed in full by typing or legible hand lettering in blue ink. All sections (including instructions and forms) included in this document shall be submitted.
8. Completed Appendix B – Respondent’s Qualification Affidavit.
9. Completed Appendix C – Reference Authorization and Release Form.
10. Completed Appendix E – Acceptance of Conditions Statement.
11. Completed Appendix F – Respondent’s Certification Affidavit.
12. Any other information deemed necessary by the Respondent.

APPENDIX D – (EXAMPLE) GENERAL CITY OF THORNTON TYPICAL INSURANCE REQUIREMENTS

INSURANCE

A. The Respondent agrees to procure and maintain in force during the term of this Agreement, at its own cost, the following coverages:

1. Workers' Compensation Insurance as required by the Labor Code of the State of Colorado and Employer's Liability Insurance. Evidence of qualified self-insured status may be substituted.
2. Commercial General Liability Insurance **(MINIMUM LIMITS)**
 - (a) Each Occurrence \$2,000,000
 - (b) Products/Completed Operations Aggregate \$2,000,000
 - (c) Personal and Advertising Injury \$2,000,000
 - (d) General Aggregate \$5,000,000

The policy shall include coverage protecting against bodily injury, property damage, and personal injury claims arising from the exposures of (1) premises-operations; (2) products and completed operations including materials designed, furnished and/or modified in any way by Respondent; (3) independent subcontractors; (4) contractual liability risk covering the indemnity obligations set forth in this Agreement; and (5) where applicable, liability resulting from explosion, collapse, or underground exposures.

If the above insurance is written on a claims-made form, it shall continue for three (3) years following termination or completion of the Agreement. The insurance shall provide for a retroactive date of placement prior to or coinciding with the effective date of the Agreement.

3. Umbrella policy for the Commercial General Liability Insurance with limits of not less than two million dollars (\$2,000,000).
4. Automobile Liability Insurance with minimum combined single limits for bodily injury and property damage of not less than one million dollars (\$1,000,000) for any one (1) occurrence. This insurance will insure against bodily injury and/or property damage arising out of the Respondent's operation, maintenance, use, loading or unloading of any auto including owned, non-owned, hired and employee autos.

- 5 Other insurance, with varying limits, which from time to time may reasonably be required by the mutual agreement of Thornton and Respondent against other insurable hazards relating to the Work to be done, shall be provided.
6. Builder's Risk Insurance Policy with minimum limits of not less than the insurable value of the Work to be performed under this Agreement at completion, less the value of the Materials and Equipment insured under Installation Floater Insurance. The value shall include the aggregate value of any Thornton-furnished Materials and Equipment to be erected or installed by the Respondent not otherwise insured under Installation Floater Insurance. The value of Thornton-furnished Materials and Equipment is estimated to be \$ TBD .

The policy shall protect the Respondent, subcontractors, and Thornton from all insurable risks of physical loss or damage to Materials and Equipment not otherwise covered under Installation Floater Insurance, while in warehouses or storage areas, during installation, and during testing. Builder's Risk shall remain in effect until Initial Acceptance of the Project by Thornton. The policy shall be of the "all risks" type, with coverages designed for the circumstances which may occur in the particular Work to be performed under this Agreement. The policy shall provide for losses to be payable to the Respondent and Thornton as their interests may appear. The policy shall contain a provision that in the event of payment for any loss under the coverage provided, the insurance company shall have no rights of recovery against the Respondent or Thornton.

Material and Equipment such as pumps, engine-generators, compressors, motors, switch-gear, transformers, panelboards, control equipment, and other similar equipment shall be insured under Installation Floater Insurance when the aggregate value of the Material and Equipment exceeds ten thousand dollars (\$10,000). The policy shall provide for losses to be payable to the Respondent and Thornton as their interests may appear. The policy shall contain a provision that in the event of payment for any loss under the coverage provided, the insurance company shall have no rights of recovery against the Respondent or Thornton.

7. Installation Floater Insurance Policy with minimum limits of not less than the insurable value of the Work to be performed under this Agreement at completion, less the value of the Materials and Equipment insured under Builder's Risk Insurance. The value shall include the aggregate value of any Thornton-furnished Materials and Equipment to be erected or installed by the Respondent not otherwise insured under Builder's Risk Insurance.

The policy shall protect the Respondent, subcontractor, and Thornton from all insurable risks of physical loss or damage to Materials and Equipment not otherwise covered under Builder's Risk Insurance, while in warehouses or storage areas, during installation, during testing, and after the Work under this Agreement is completed. The policy shall be of the "all risks" type, with

coverages designed for the circumstances which may occur in the particular Work to be performed under this Agreement. The policy shall provide for losses to be payable to the Respondent and Thornton as their interests may appear. The policy shall contain a provision that in the event of payment for any loss under the coverage provided, the insurance company shall have no rights of recovery against the Respondent or Thornton.

- B. Respondent shall procure and maintain the minimum insurance coverages listed herein. Such coverages shall be procured and maintained with forms and insurers acceptable to Thornton. All coverages shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Respondent. If the above insurance is written on a claims-made form, it shall continue for three (3) years following termination or completion of the Agreement. The insurance shall provide for a retroactive date of placement prior to or coinciding with the effective date of the Agreement.
- C. Respondent shall cause any subcontractor to procure and maintain adequate levels of insurance coverage for Workers' Compensation, Commercial General Liability, Automobile Liability, and other coverages Respondent may require. For Commercial General Liability and Automobile Liability insurance of any subcontractor, Thornton will be named as an additional insured. Respondent shall prepare a schedule of required coverages for each of its subcontractors and shall submit such schedule to Thornton prior to any subcontractor commencing any Work under the Agreement. Such coverages for any subcontractors shall be procured and maintained with forms and insurers acceptable to Thornton. All coverages shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Respondent.
- D. The Respondent shall name Thornton, its officers, agents, and employees as additional insureds for completed operations with respect to the Commercial General Liability and Auto Liability coverages above. A Certificate of Insurance shall be completed and forwarded, along with the Additional Insured Endorsements, to Thornton by the Respondent's Insurance Agent(s) as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect and shall be subject to review and approval by Thornton **prior to commencement of any Work under this Agreement.** The initial completed Certificate(s) of Insurance and Additional Insured Endorsement(s) shall include the Respondent's e-mail address for future inquiries and updates, and shall be sent to:

City of Thornton
Jennifer Cahill, Construction Manager
9500 Civic Center Drive
Thornton, CO 80229-4326

Subsequent Certificates of Insurance indicating renewal of coverage(s) shall be sent to Thornton's Risk Manager at certificatesofinsurance@ThorntonCO.gov no later than thirty (30) Calendar Days prior to the expiration date. Indicate "Renewal COI" and the Project Number in the e-mail subject line.

- E. Failure on the part of the Respondent or a subcontractor to procure or maintain policies providing the required coverages, terms, conditions, and minimum limits shall constitute a material breach of Agreement upon which Thornton may immediately terminate the Agreement. At its discretion, Thornton may procure or renew any such policy or any extended reporting period, and may pay any and all premiums in connection therewith, and all monies paid by Thornton shall be repaid by Respondent to Thornton upon demand, or Thornton may offset the cost of the premiums against any monies due or to become due to Respondent from Thornton. In addition to the foregoing, in the event any coverage required by the Agreement expires or is cancelled during the term of the Agreement, the Respondent shall be required, without further notice from Thornton, to suspend the Work at 12:00 a.m., on the date of insurance expiration or cancellation, and may not resume Work until the required insurance coverage is obtained and evidence of such coverage is submitted to and approved in writing by Thornton. The Respondent shall not be entitled to any compensation therefor, including compensation for delay. The Agreement Time shall continue to run during such suspension period and the Respondent shall remain fully responsible for any Liquidated Damages that are assessed as a result of late performance. During such suspension of Work the Respondent remains responsible for all safety and protection of persons and property under the Contact.
- F. Thornton reserves the right to request and receive a certified copy of any policy and any endorsement thereto. Respondent agrees to execute any and all documents necessary to allow Thornton access to any and all insurance policies and endorsements pertaining to the Work.
- G. Every policy required above shall be primary insurance, and any insurance carried by Thornton, its agents, officers, or employees shall be excess and not contributory insurance to that provided by the Respondent. The Respondent shall be solely responsible for any deductible losses under the required policies and such deductible losses shall not be billed to Thornton.
- H. The Respondent shall not be relieved of any liability, claims, demands or other obligations assumed pursuant to the Agreement by reason of its failure to procure and maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations or types.
- I. The Parties understand and agree that Thornton, its agents, officers, and employees, are relying on, and do not waive or intend to waive by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et seq., as may be amended, or otherwise available to Thornton, its agents, officers, or employees.
- J. The Respondent shall provide Products and Completed Operations Liability Insurance, and name Thornton as an additional insured for a minimum of one (1) year after the date of Final Acceptance. The Respondent shall continue to provide evidence of such coverage by submission of a Certificate of Insurance to Thornton

no later than thirty (30) Calendar Days prior to the scheduled expiration of such coverage. Additional Insured endorsements shall indicate applicable Products and Completed Operations coverage.

- K. All policies shall include a provision that the coverages afforded under the policies shall not be canceled, terminated, or materially changed prior to the natural termination date until at least thirty (30) Calendar Days prior written notice has been sent to Thornton. The Certificate(s) shall indicate the form used, if any, under which this provision is included.
