

**ADDENDUM NO. TWO**

**REQUEST FOR QUALIFICATIONS**

**THORNTON POLICE DEPARTMENT SHOOTING RANGE**

**PROJECT NO. 22-257**

**CITY OF THORNTON, CO**

TO: Prospective Proposing Firms and all others concerned

DATE: February 21, 2023

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following questions and answers are provided for additional clarification to the RFP.

Q: We are planning to submit an RFQ for the TPD shooting range project and bringing on an additional “super-sub” for the project. In the RFQ document, it reads:

For joint ventures, a SOQ shall be completed by each Respondent in the joint venture and shall be submitted in a single package. Joint ventures shall be comprised of not more than two (2) single Respondents.

Since this is not a true Joint Venture, will they need to submit a full SOQ, or can we show their experience in the same way we show experience for the HVAC subcontractors?

A: The City of Thornton will consider qualifications of a prime Subcontractor to fulfill the Pre-Cast concrete Pre-Qualification of the General Contractor where the Subcontractor is performing the majority of the Pre-Cast Work.

2. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Proposal.

**END OF ADDENDUM NO. TWO**
