III. NOTICE – REQUEST FOR CONTRACTOR

PREQUALIFICATIONS FOR THORNTON SHOPPING CENTER ABATEMENT AND DEMOLITION, PROJECT NO. 22-123

Notice of Request for Contractor Qualifications: The City of Thornton (“Thornton”) is requesting Statement of Qualification (SOQ) submittals from General Contractors (“Respondent”) interested in becoming prequalified to bid on the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123**.

Thornton reserves the right to qualify Respondents based on size, type of work, past experience, and other factors as Thornton deems appropriate. Thornton’s intent is to pre-qualify Contractor’s for short-list selection to Bid on the Invitation for Bid Proposals package which will be issued and ultimately contracted through Thornton’s environmental consultant ERO Resources.

Thornton intends to qualify Respondents based on their specific qualifications as they apply to the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123**. At this time Thornton anticipates qualifying Prime Contractors with the capacity to perform “turn-key” service for asbestos abatement, utility abandonment, demolition, and disposal services either through self-performance or subcontracted arrangements.

Description of Work:

The anticipated work to be bid under the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123** consists of the asbestos abatement, utility cutoffs, and structural demolition of the former Thornton Shopping Center buildings in accordance with applicable regulations.

Scope of Project:

The anticipated Scope of the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123** includes, but is not limited to the following:

- Provide all necessary labor, equipment, and supplies for all site work described or inferred to herein;
- Provide site security for the duration of the Project;
- Obtain all required permits for described work;
- Develop and maintain stormwater controls for the Project for the duration of the Project;
- Remove, package, and recycle or dispose of regulated building materials;

- Perform asbestos abatement activities of identified asbestos-containing building materials within each of the site buildings in accordance with CDPHE Air Quality Control Division, Regulation No. 8 and project design specifications;
- Assist Thornton with the capping and abandonment of utilities; and
- Demolish and dispose/recycle all remaining structures, foundations, flatwork within the site.

Contractors may request a copy of this RFQ in a Word document for ease of filling this form out. To request a copy in Word send your request to Keith.griess@ThorntonCO.gov.

Thornton utilizes the BidNet Direct System at www.BidNetDirect.com to distribute official copies for Contractor Qualifications (“RFQ”) for use in preparing submittals. Respondents will be required to register with the website to download the RFQ documents and any subsequent addenda. There is no charge by BidNet Direct for this service. If you experience problems with the BidNet Direct website, please call 1-800-835-4603 for assistance. Respondent(s) are required to acknowledge all addenda with their submittal and are encouraged to either register with the website or to view the addenda posted on the Contract Administration bulletin board prior to delivering their submittal. Respondents that do not acknowledge all addenda may be considered non-responsive. Upon request, the RFQ documents, including addenda, are also available for viewing on the City of Thornton Website, <https://solicitations.thorntonco.gov/solicitations> or at the Contract Administration office located on the 2nd floor of City Hall at 9500 Civic Center Drive, Thornton, CO. Respondents that do not have download and/or printing capability in-house, may contact a commercial blueprint company or other reprographics company for assistance with downloading and printing the RFQ.

Submittal Location:

Physical SOQs may be submitted directly to the Contract Administration Office, by mail, or courier service. Physical SOQs submitted directly to the Contract Administration Office, 2nd Floor of City Hall at 9500 Civic Center Drive, Thornton, Colorado 80229-4326, **September, 29, 2023, by 3:00 p.m.**, MST or by U.S. mail addressed to: Keith Griess, Senior Contracts Administrator, City of Thornton, 9500 Civic Center Drive, 2nd Floor City Hall, Thornton, CO 80229-4326. Late submissions will not be considered by the Selection Committee. If the SOQ is sent by U.S. mail or courier service, the SOQ shall be contained in a sealed inner envelope or box, which is then inserted into the mailing envelope or box. Indicate “**SOQ Enclosed, Notice of Request for Contractor Qualifications, Project No. 22-123**”, on the outside of the mailing envelope or box.

SOQ’s submitted electronically shall be uploaded to the Vendor’s portal through the BidnetDirect.com website and shall follow the process/guidelines identified on the website and this solicitation.

Note: Late SOQ's will not be accepted under any circumstances. Vendors electing to submit their bid via mail or courier service accept all responsibility for delivery to the Contract Administration Office by the bid closing time indicated. Thornton is not responsible for lost or late delivery of bid proposals.

All questions regarding the RFQ shall be directed in writing to Keith Griess, Senior Contracts Administrator, e-mail: Keith.griess@ThorntonCO.gov.

Anticipated Schedule:

It is anticipated that formal bids for the Project, along with bidding documents, will be requested in October 2023. It is anticipated that bids will be received four (4) to six (6) weeks after the bid documents are released.

IV. REQUEST FOR CONTRACTOR QUALIFICATIONS

Thornton is soliciting written Statements of Qualifications from Contractors to be eligible to Bid on the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123**. To be eligible, the Respondent must be capable of performing the Work as described herein and must meet all other criteria outlined in this RFQ. Thornton reserves the right to revise this process, to issue a new RFQ, or formally advertise and formally Bid any element of Work at Thornton's sole option.

It is Thornton's intent to prequalify Contractors and make short list selection for the **Thornton Shopping Center Abatement and Demolition, Project No. 22-123**. Respondents will be qualified on a variety of factors including, but not limited to, experience, past-performance, safety record, financial standing, and workforce/employee factors. Short-listed Respondents will be permitted to submit a Bid proposal in response to a forthcoming Bid Solicitation. Bid package will include demolition drawings and asbestos abatement specifications. It is Thornton's intent to award the Project based on the lowest responsive and responsible Bid proposal.

Thornton will evaluate the qualifications of Respondents and will notify prequalified short-list Respondents prior to issuance of the Bid package. Information regarding company and personnel experience, references, work history, staffing plan, training, employee benefits, employee hourly rates, financial standing, insurance and bonding capacity, litigation and claims history, safety record, and capability to perform the Work, and other information is requested via the attached Statement of Qualifications Form.

Subcontractors and suppliers will not be prequalified at this time, however, Thornton reserves the right to post-qualify any or all proposed subcontractors and suppliers and all subcontractors and suppliers shall be subject to Thornton's approval. In addition, the Respondents and proposed subcontractors must show a prior successful working relationship on similar type projects.

SECTION I – INQUIRIES AND INSTRUCTIONS

From the date of submission of qualifications, any Respondent that directly or indirectly contacts any member or employee of Thornton, or any person in connection with the prequalification selection process or the issuance of a Bid is subject to disqualification except if it is to make an inquiry as provided herein, or to request general information about the RFQ, or the availability of any addenda related to the RFQ.

All inquiries relating to this RFQ shall be addressed in writing to:

City of Thornton
Attention: Keith Griess, Senior Contracts Administrator
9500 Civic Center Drive
Thornton, CO 80229-4326
Fax: 303-538-7556
E-mail: Keith.griess@ThorntonCO.gov

If a Respondent finds discrepancies in or omissions from the RFQ, or requires additional clarification of any part thereof, a written request for interpretation shall be submitted to Keith Griess, Senior Contracts Administrator. Any interpretation of, or change made to the RFQ will be made by written notification and will become part of the RFQ. Thornton will not be responsible for the accuracy of any other ORAL EXPLANATIONS, INTERPRETATIONS, OR REPRESENTATIONS. All inquiries shall be made in writing and all responses will be provided in writing.

SECTION II – SUBMITTAL DATE AND LOCATION

To be considered by the Selection Committee for prequalification at the end of this review period, all SOQ's must be received by:

September 29, 2023 by 3:00 p.m.

Submissions may be sent by U.S. mail or courier service, the SOQ shall be contained in a sealed inner envelope or box, which is then inserted into the mailing envelope or box. Indicate **“SOQ Enclosed, Notice of Request for Contractor Qualifications, Project No. 22-123”**, on the outside of the mailing envelope or box.

Submissions submitted electronically shall be uploaded to the Vendor's portal through the BidnetDirect.com website and shall follow the process/guidelines identified on the website and this solicitation.

SECTION III – CONFIDENTIAL INFORMATION

Prior to short-list selection of the prequalified Respondents, any information contained within the SOQ may be held confidential by Thornton pursuant to Colorado's Open Records Act (CORA), specifically Colo. Rev. Stat. 24-72-204(3)(a)(IV). After selection, the information within the SOQ becomes public information with the exception of information that has been clearly marked as confidential by the Respondent. **Any information marked confidential shall comply with CORA and other applicable statutes. Thornton shall be held harmless from any claims arising from the release of confidential information not clearly designated as such by the Respondent or which does not comply with CORA. In general, it is not acceptable to Thornton to mark information other than financial statements, Project financing data, litigation history, tax audit history, or client lists as confidential. Further, it is not acceptable to mark price information as confidential. Failure to adhere to these restrictions may result in the entire submission being deemed non-responsive.**

If a request to inspect the response materials, or any portion thereof, is made by a third-party, Thornton will endeavor to keep private materials marked confidential to the extent allowed by the CORA. The Respondent understands that Thornton may be subject to the provisions of CORA. Thornton will try to endeavor to inform the Respondent of any third-party request for disclosure of such information pursuant to the CORA or as may be otherwise made to Thornton. If the Respondent requests that such information be held

confidential and not disclosed by Thornton, the Respondent will assume the defense of such position, up to and including litigation, and will indemnify and save and hold harmless Thornton, its officers, and employees, from any expense, fees, costs, or liability associated with such third-party request or such litigation.

SECTION IV – DEFINITION, CONTEXT, AND GENDER

Unless otherwise specified in this document, all words shall have a common meaning unless the context in which they are used clearly requires a different meaning. Words in the singular number include the plural, and in the plural include the singular. Additionally, words of the masculine gender include the feminine and the neuter, and when the sense so indicates, words of the neuter gender may refer to any gender.

SECTION V – CONDITIONS OF SOQ SUBMITTAL

Only prime Contractors are required to submit prequalification documents. If Subcontractors and suppliers are being used for the project then they shall be identified in the pre-qualification documents for the services provided using Thornton's forms, during the bid evaluation process, and all subcontractors and suppliers shall be subject to Thornton's approval. Thornton reserves the right to request additional qualification information for any subcontractors listed at its sole discretion.

1. All Respondents shall comply with all conditions, requirements, and specifications contained herein, and any departure from such conditions, requirements, or specifications may constitute sufficient cause for rejection of the entire SOQ.
2. Only one (1) SOQ will be accepted from any Respondent.
3. Information submitted for the prequalification process shall become the sole property of Thornton. To the extent permitted by law, financial information and litigation and claim information will be considered confidential (if marked as such by the Respondent) by Thornton and will not be subject to review by outside individuals or organizations. Upon request, financial information and litigation and claim information of Respondents that are not prequalified may be picked up by the Respondent, or at their option they may direct Thornton to shred the documents. If not picked up by respondent within ten (10) Calendar Days of notification of not being prequalified, Thornton may at its sole option shred these documents.
4. Material misstatements on any of the SOQs' forms may be grounds for rejection of the Respondent's SOQ on this Project. Any such misstatement, if discovered after a Contractor has been notified of being prequalified, or award of a Contract to such Respondent, may be grounds for immediate termination of the Contractors Contract and/or rescinding the Contractors prequalified status. Additionally, the Respondent will be liable to Thornton for any additional costs or damages to Thornton resulting from such misstatements, including costs and attorney's fees for collecting such costs and damages.

5. Each Respondent submitting a SOQ will be notified of their prequalified status by Thornton.
6. No Respondent will be considered for prequalification if it is in arrears, indebted, debarred or is in default on a contract or obligation, either as surety or in any capacity, with Thornton.
7. Thornton reserves the right to reject any and all SOQ's, or any part thereof. Thornton further reserves the right to waive any formalities, or informalities contained in any SOQ's, and to prequalify the most responsive, responsible, and trustworthy Respondent as deemed in the best interest of Thornton.
8. All SOQ's shall be prepared in a comprehensive manner as to content, but no necessity exists for expensive binders or promotional materials.
9. All costs, including travel and expenses incurred in the preparation of the SOQ, shall be borne solely by the Respondent.
10. Thornton will not return SOQ's, or other information supplied to Thornton, to the Respondents.
11. Thornton reserves the right to require the submission of additional information, clarification of information, or other information that may have been inadvertently omitted from the submission upon request.
12. Prequalifying a Respondent shall not deprive Thornton of the right to reject any SOQ's where other circumstances and developments have, in the opinion of Thornton, changed the qualifications or responsibility of the Respondent.
13. The Respondent understands and agrees, that Thornton reserves the right to reject any or all SOQ's, to request additional information, to waive irregularities therein determining a Respondent's qualifications, and to qualify Respondents that it deems are in the best interest of Thornton. All Respondents submitting SOQ's shall agree that such rejection or decision shall be without liability on the part of Thornton for any damage or claim brought by any Respondent because of such rejections or decisions, nor shall the Respondent seek any recourse of any kind against Thornton, its officers, employees, agents, or its consulting engineer(s) because of such rejections or decisions. The signing of the prequalification document shall constitute an agreement of the Respondent to these conditions.
14. As referenced in the required Appendix E Acceptance of Conditions Statement, Section 7.4 of the Thornton City Charter prohibits Thornton from entering into any contract involving an amount in excess of one hundred dollars (\$100) in which an elective or appointive officer or any member of the officer's family has any pecuniary interest, direct or indirect, in the Respondent or this RFQ. Certain other restrictions may also apply to contracts in which an employee, member of a board or commission, City Council member or member of their family has an existing or

pending financial or personal interest. For the purposes of this Charter Section, a domestic partner shall be considered a family member.

15. By submission of the Qualification Affidavit, bank letter of reference, and the bonding company letter required herein, the Respondent certifies that it has adequate financial capacity to perform the anticipated Work. The Respondent shall not submit proprietary financial information such as financial statements, depreciation statements, or balance sheets.

Non-compliance with one (1) or more of the above requirements is grounds for disqualification at Thornton's sole discretion.

SECTION VI – EVALUATION OF SOQ's

All SOQ's will be evaluated by a Selection Committee assigned by the City Manager, or his designee. SOQ's shall be evaluated on the basis of the Evaluation Criteria set forth herein. In addition, any other pertinent information which becomes available during the evaluation, interview, reference checks, or negotiations may be considered in the evaluation. Thornton's intent is to prequalify three (3) to five (5) most qualified Respondents based on the Selection Committee's recommendation.

Thornton's Selection Committee shall have sole authority to review, evaluate, and determine the Contractor's qualifications using the below selection criteria as well as any other relevant criteria that may become available. The Selection Committee may decide a Contractor is qualified or not qualified based on any one factor, and/or on multiple factors at its sole discretion. The criteria is not weighted for importance, but will be individually evaluated as to importance, relevance, and acceptability.

SECTION VII – EVALUATION CRITERIA

In determining a Respondent's qualifications, the following factors will be considered:

1. Whether the Respondent maintains a permanent place of business in Colorado, or can demonstrate its ability to establish and maintain a place of business away from its established business location(s), and can demonstrate experience in successfully doing so on several similar projects, and if not located in Colorado, can demonstrate through references, that they are responsive to communications, including defective items and warranty work.
2. Equipment and resources available to perform the Work properly and expeditiously within the time available.
3. Financial resources to meet obligations incidental to the Work.
4. The Respondent's historic record of successful project completion, with minimal interference to the public or of public complaints, as demonstrated through references.

5. Appropriate technical past experience of the Respondent, and the Respondent's key-personnel (resumes of key-personnel detailing similar experience on other projects).
6. The Respondent's safety program and safety record on completed and ongoing projects over the past three (3) years. Criteria will be evaluated as follows:
 - a. Experience Modification Rating (EMR) for each of the past three (3) years. Contractor's three (3) year average EMR should be no greater than 1.0. If a Contractor's three (3) year average EMR is greater than 1.0 but less than 1.2, it is subject to Committee review (which may lead to possible disqualification) and Thornton may ask Contractor to submit additional information about its safety program to the Selection Committee to help assess eligibility.* Any three (3) year average EMR greater than 1.2 is grounds for disqualification without further review;
 - b. Total Recordable Incident Rates (TRIR); (will be evaluated on a case by case basis);
 - c. Days Away Restricted Time (DART); (will be evaluated on a case by case basis); and
 - d. Company fatalities within the last three (3) years (will be evaluated on a case by case basis).

***Note: Contractor should be prepared to provide additional documentation including, but not limited to, a thorough description of accidents, OSHA 300 logs, and letter(s) from insurance carrier, if Thornton notifies Contractor there is a concern about any rating related to its safety program.**

7. No Respondent in arrears on any obligation to Thornton or to any other public owner.
8. Pending or completed relevant legal actions against the Respondent that, in Thornton's opinion, could impact the company's ability to complete this Project.
9. Historical record working/dealing with several Governmental, multi-jurisdictional permitting agencies for a single project.
10. Successful completion of at least three (3) projects over five hundred thousand dollars (\$500,000) that are similar in scope and size to the Project. Project must have been completed in the last five years.
11. Qualifying projects must be similar in nature (i.e. turnkey asbestos abatement/demolition projects of similar size and scope whether performed entirely "in-house" or portions subcontracted). All qualifying experience and projects must have been completed within the past five (5) years;

12. Qualifying projects must have demonstrated the existence of a successful relationship with owner agencies as determined by references with at least one (1) conducted for a municipality or government agency.
13. Qualifying Respondents shall provide information regarding which work would be self-performed or subcontracted if awarded the project, and identify the subcontracted firm to perform specific scope.
14. Available bonding capacity must be one million (**\$1,000,000**) or higher. The Contractor shall have the ability to bond this Project at one hundred percent (100%) of the Contract value.
15. Respondents' surety or sureties must be listed in the Federal Circular 570 and must be approved by the City of Thornton (Thornton). In no case will sureties with less than an A.M. Best's A rating be approved.
16. Respondents ability to demonstrate that their staffing plan and personnel procurement, workforce development and training, current hourly rates of pay, and employee benefits shall be within a normal and acceptable range for the industry and the local community:
 - a. Respondents are responsible for demonstrating that the combination of current pay roll wages and benefits provided to employees meets or exceeds the market standards for the local community, or, Contractor must certify that hourly wages meet or exceed the applicable Adams County Davis Bacon Wage Determination. Alternatively, Thornton will review hourly pay ranges for key positions within the Contractor's field organizational structure. Wages for salaried management personnel do not need to be provided;
 - b. The Selection Committee will review and evaluate combined hourly wage rates and benefits and compare those against other Respondents and against other wage information as it deems applicable and/or appropriate at its sole discretion; and
 - c. The Selection Committee has the right to request clarifying information and/or actual pay roll documentation to verify the accuracy of the submitted information. Respondents could be disqualified if it is determined that the pay ranges are not accurate based on actual payroll information provided.
17. Respondents eligibility will be based on the evaluation of all factors listed above as well as the following:
 - a. Respondent's previous performance on work for Thornton or other municipal or quasi-municipal owners;
 - b. Overall experience of the principal Respondent;

- c. Experience of the Respondent (with any identified key subcontractors) on similar projects;
- d. The experience of the key personnel;
- e. Clarity of organizational structure;
- f. References obtained from owners of similar projects;
- g. Financial condition of the Respondent;
- h. Bonding capacity and insurance coverage of the Respondent;
- i. Dispute/litigation, violation, safety, and claim history; and
- j. Information listed in Appendix A.

APPENDIX D – (EXAMPLE) GENERAL CITY OF THORNTON TYPICAL INSURANCE REQUIREMENTS

INSURANCE

A. The Respondent agrees to procure and maintain in force during the term of this Contract, at its own cost, the following coverages:

1. Workers' Compensation Insurance as required by the Labor Code of the State of Colorado and Employer's Liability Insurance. Evidence of qualified self-insured status may be substituted.
2. Commercial General Liability Insurance **(MINIMUM LIMITS)**
 - a. Each Occurrence \$2,000,000.00
 - b. Products/Completed Operations Aggregate \$2,000,000.00
 - c. Personal and Advertising Injury \$2,000,000.00
 - d. General Aggregate \$5,000,000.00

The policy shall include coverage protecting against bodily injury, property damage, and personal injury claims arising from the exposures of (1) premises-operations; (2) products and completed operations including materials designed, furnished and/or modified in any way by Respondent; (3) independent subcontractors; (4) contractual liability risk covering the indemnity obligations set forth in this Contract; and (5) where applicable, liability resulting from explosion, collapse, or underground exposures.

If the above insurance is written on a claims-made form, it shall continue for three (3) years following termination or completion of the Contract. The insurance shall provide for a retroactive date of placement prior to or coinciding with the effective date of the Contract.

3. Umbrella policy for the Commercial General Liability Insurance with limits of not less than two million dollars (\$2,000,000).
4. Automobile Liability Insurance with minimum combined single limits for bodily injury and property damage of not less than one million dollars (\$1,000,000) for any one (1) occurrence. This insurance will insure against bodily injury and/or property damage arising out of the Respondent's operation, maintenance, use, loading or unloading of any auto including owned, non-owned, hired and employee autos.

5. Other insurance, with varying limits, which from time to time, may reasonably be required by the mutual agreement of Thornton and Respondent against other insurable hazards relating to the Work to be done, shall be provided.
- B. Respondent shall procure and maintain the minimum insurance coverages listed herein. Such coverages shall be procured and maintained with forms and insurers acceptable to Thornton. All coverages shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Respondent. If the above insurance is written on a claims-made form, it shall continue for three (3) years following termination or completion of the Contract. The insurance shall provide for a retroactive date of placement prior to or coinciding with the effective date of the Contract.
 - C. Respondent shall cause any subcontractor to procure and maintain adequate levels of insurance coverage for Workers' Compensation, Commercial General Liability, Automobile Liability, and other coverages Respondent may require. Respondent shall prepare a schedule of required coverages for each of its subcontractors and shall submit such schedule to Thornton prior to any subcontractor commencing any Work under the Contract. Such coverages for any subcontractors shall be procured and maintained with forms and insurers acceptable to Thornton. All coverages shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Respondent.
 - D. The Respondent shall name Thornton, its officers, agents, and employees as additional insureds for completed operations with respect to the Commercial General Liability and Auto Liability coverages above. A Certificate of Insurance shall be completed and forwarded, along with the Additional Insured Endorsements, to Thornton by the Respondent's Insurance Agent(s) as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect and shall be subject to review and approval by Thornton **prior to commencement of any Work under this Contract.** The initial completed Certificate(s) of Insurance and Additional Insured Endorsement(s) shall include the Respondent's e-mail address for future inquiries and updates, and shall be sent to:

City of Thornton
Keith Griess, Senior Contracts Administrator
9500 Civic Center Drive
Thornton, CO 80229-4326

Subsequent Certificates of Insurance indicating renewal of coverage(s) shall be sent to Thornton's Risk Manager at certificatesofinsurance@ThorntonCO.gov no later than thirty (30) Calendar Days prior to the expiration date. Indicate "Renewal COI" and the Project Number in the e-mail subject line.

- E. Failure on the part of the Respondent or a subcontractor to procure or maintain policies providing the required coverages, terms, conditions, and minimum limits shall constitute a material breach of Contract upon which Thornton may

immediately terminate the Contract. At its discretion, Thornton may procure or renew any such policy or any extended reporting period, and may pay any and all premiums in connection therewith, and all monies paid by Thornton shall be repaid by Respondent to Thornton upon demand, or Thornton may offset the cost of the premiums against any monies due or to become due to Respondent from Thornton. In addition to the foregoing, in the event any coverage required by the Contract expires or is cancelled during the term of the Contract, the Respondent shall be required, without further notice from Thornton, to suspend the Work at 12:00 a.m., on the date of insurance expiration or cancellation, and may not resume Work until the required insurance coverage is obtained and evidence of such coverage is submitted to and approved in writing by Thornton. The Respondent shall not be entitled to any compensation therefor, including compensation for delay. The Contract Time shall continue to run during such suspension period and the Respondent shall remain fully responsible for any Liquidated Damages that are assessed as a result of late performance. During such suspension of Work the Respondent remains responsible for all safety and protection of persons and property under the Contract.

- F. Thornton reserves the right to request and receive a certified copy of any policy and any endorsement thereto. Respondent agrees to execute any and all documents necessary to allow Thornton access to any and all insurance policies and endorsements pertaining to the Work.
- G. Every policy required above shall be primary insurance, and any insurance carried by Thornton, its agents, officers, or employees shall be excess and not contributory insurance to that provided by the Respondent. The Respondent shall be solely responsible for any deductible losses under the required policies and such deductible losses shall not be billed to Thornton.
- H. The Respondent shall not be relieved of any liability, claims, demands or other obligations assumed pursuant to the Contract by reason of its failure to procure and maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations or types.
- I. The Parties understand and agree that Thornton, its agents, officers, and employees, are relying on, and do not waive or intend to waive by any provision of this Contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et seq., as may be amended, or otherwise available to Thornton, its agents, officers, or employees.
- J. All policies shall include a provision that the coverages afforded under the policies shall not be canceled, terminated, or materially changed prior to the natural termination date until at least thirty (30) Calendar Days prior written notice has been sent to Thornton. The Certificate(s) shall indicate the form used, if any, under which this provision is included.
