PROJECT NO. 178-26
CITY OF THORNTON, CO

TO: Prospective Vendors and all others concerned

DATE: March 24, 2026

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following information shall become part of the original Request for Quotations (RFQ) for this Project.

A. The Request for Quotation shall be modified as follows: Revise Sections (a)(3) and (a)(4) of *UTILITY CART AND PASSENGER SHUTTLE SPECIFICATIONS* as shown in redline below:

(a)(3) Be a golf-cart-style maintenance vehicle designed for turf use (similar to Yamaha Adventurer). Utility-style carts like the Kubota RTV-X1140 utility vehicle are also acceptable.

(a)(4) Storage bed mounted on the back of the vehicle with a minimum size of 2723" x 39" and an 8" depth. In lieu of a fixed storage bed, a golf cart with rear fold-down seats on which a removable storage bag, like the Cartalia Universal Golf Cart Storage Bag, could be installed is also acceptable.

2. The following questions and answers are provided for additional clarification to the RFQ.

Question No. 1: For the utility carts, is it acceptable to propose a utility cart that is *not* a golf cart, like the Kubota RTV-X1140 utility vehicle?

Answer No. 1: Yes, this is acceptable.

Question No. 2: For the utility carts, is it acceptable to propose golf carts with rear fold-down seats on which a removable storage bag, like the Cartalia Universal Golf Cart Storage Bag, could be installed (in lieu of a fixed storage bed)?

Answer No. 2: Yes, this is acceptable.

3. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Quote.
