**REQUEST FOR PROPOSAL**  
**POLICE ARMORED TACTICAL VEHICLE**  
**PROJECT NO. 195-26**  
**CITY OF THORNTON, CO**

TO: Prospective Proposing Firms and all others concerned

DATE: May 20, 2026

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following questions and answers are provided for additional clarification to the RFP. All answers from Thornton in response to Vendor submitted questions have been provided below.

Question No. 1: Is Thornton correct in their Appendix No. 1 in the request to have a NIJ IV+ rating stop a .50 caliber projectile?

Answer No. 1: Thornton has taken this into consideration and realized it has made an error within Appendix No. 1. The term “.50” caliber has been removed and replaced with “high caliber rifle” in the specifications, with the requirement of the Vendor informing Thornton of the caliber stopping power of their proposed unit.

A revised copy of Appendix No. 1 has been included as a separate document with this addendum.

2. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Proposal.
