

**ADDENDUM NO. ONE**  
**REQUEST FOR PROPOSALS**  
**PAVEMENT MARKING SERVICES**  
**PROJECT NO. 319-26**  
**CITY OF THORNTON, CO**

TO: Prospective Proposing Firms and all others concerned

DATE: October 14, 2026

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following information shall become part of the original Request for Proposal (RFP) for this Project.

Bidders shall delete in its entirety the following Section III Notice Request for Proposals first paragraph, which reads;

*The City of Thornton, Colorado, ("Thornton") respectfully requests separate sealed Proposals for **Pavement Markings Services, Project No. 319-26** (hereinafter referred to as "Project"). Proposals will be received until **3:00 p.m.**, local time, **October 21, 2026** in the Contract Administration Office, 9500 Civic Center Drive, 2<sup>nd</sup> Floor City Hall, Thornton, CO 80229-4326.*

And replace with the following;

*The City of Thornton, Colorado, ("Thornton") respectfully requests separate sealed Proposals for Pavement Markings Services, Project No. 319-26 (hereinafter referred to as "Project"). Proposals will be received until **3:00 p.m.**, local time, **November 6, 2026** in the Contract Administration Office, 9500 Civic Center Drive, 2nd Floor City Hall, Thornton, CO 80229-4326.*

2. The following questions and answers are provided for additional clarification to the RFP.

Question 1: "Will a bid bond be required?"

Answer 1: This is a Request for Proposals and not an Invitation to Bid. No Bid Bond requirement;

Question 2: "Will you award contract to a single contractor or multiply contractors?"

Answer 2: Please reference the "Project Description of Section III Notice Request for

Proposals of the RFP;

Question 3: "Are we required to bid all items on bid schedule? Can we just bid the items we are able to perform?"

Answer 3: Proposals should only contain prices for Bid Items for which service Contractor is capable of providing;

Question 4: "Painted Pavement Marking Items 1-20, are you looking at High Build Waterborne Paint or Modified Epoxy Paint (both will have beads)?"

Answer 4: Please reference item #10 in Part D of the Scope of Services provided;

Question 5: "Thermoplastic Pavement Marking Items 21-24. Are you looking for Preformed Thermoplastic or Extruded Thermoplastic?"

Answer 5: Preformed Thermoplastic (Sharrow) is what is currently being used;

Question 6: "Thermoplastic Pavement Markings Items 24-40. Are you looking for surface applied Preformed Thermoplastic 90 or 125 Mil materials? Groove inlay with bid items 59 and 60?"

Answer 6: Items 24-40 shall be a combination of extruded and preformed thermoplastic. The minimum thickness of thermoplastic line shall be 90 mil at the edges, not less than 125 mil at the center. Long lines 4", 6", and 8" lines are typically extruded, and 12", 24" and symbols shall be preformed. Grooving is done on an as needed basis;

Question 7: "Preformed Plastic Pavement Markings. Bid based on surface applied 270ES materials. Do you require 380ES and 380IES contrast materials? Groove inlay with bid items 59 and 60?"

Answer 7: When using preformed plastic pavement markings on concrete pavement, long lines and skips shall be 3M series 380I-5ES or approved equal. Otherwise, 270 ES or approved equal shall be used. Grooving is done on an as needed basis;

Question 8: "Removal of Pavement Markings items 61-63. Do you require water blasting or grinding?"

Answer 8: Means and methods for removal of pavement markings shall be determined by the contractor on a case-by-case basis.

Question 9: "Traffic Control to be included in bid items? Will M.H.T's be required?"

Answer 9: Yes;

Question 10: "Will we need to apply for Permits? If yes, will there be any fees?"

Answer 10: Please reference Part E of the General Conditions provided;

Question 11: "Will City provide plans for any changes to existing pavement marking layouts"?

Answer 11: No changes anticipated at this time;

Question 12: "There was mention of parking areas that may need restriping. Will we be able to complete this work during a M-F operation or be required to complete on weekends?"

Answer 12: No weekend work is anticipated at this time.

2. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Proposal.
