

ADDENDUM NO. TWO
REQUEST FOR PROPOSALS
CONTRACTED PAVING
PROJECT NO. 26-23G
CITY OF THORNTON, CO

TO: Prospective Proposing Firms and all others concerned

DATE: November 21, 2025

PURPOSE: To provide additional information and clarification to the solicitation documents for the above-referenced Project.

1. The following questions and answers are provided for additional clarification to the RFP.

Question 1: “Will the mobilization item work the same as traffic control and be negotiated for each task order?”

Answer 1: Yes, Mobilization will be “To Be Determined”;

Question 2: “Do you have an idea of what part of Thornton the work will occur? This would help with pricing the material haul.”

Answer 2: No, the project locations are determined each year and will vary throughout the city;

Question 3: “How many tons of HMA paving per street/location is anticipated?”

Answer 3: Past average bid quantities were provided via Addendum One on which to base pricing. Project quantities will vary yearly based on the location selected for Contractor Paving;

Question 4: “Do you have an idea of how many tons of HMA go to each of street type - Arterial, Collector, and Residential streets?”

Answer 4: No. Project quantities will vary yearly based on the location selected for Contractor Paving;

Question 5: “What size patches do you typically work on? Is there a certain amount of crack patching anticipated?”

Answer 5: Once the milling is complete, the inspector will determine if additional patching is required;

Question 6: "Item 21.4 in Exhibit D addresses Quality Control/Testing of the milled surface. Does the longitudinal surface smoothness testing with the Profilograph method apply to this project?"

Answer 6: No, it does not.

Question 7: "Does the contractor keep the asphalt millings from this project?"

Answer 7: Yes

2. All other terms and conditions shall remain unchanged except as provided by this Addendum. Proposing firms must acknowledge receipt of this Addendum in their Proposal.
